FOR THE RIDE

Bonneville T100 (MY 13)

1/29/2015 8:21:45 PM

Bonneville T100 (MY 13) \$9,099.00 [†]

PRODUCT INFORMATION

OVERVIEW

We took the most famous name in motorcycling and gave it some extra 60s style.

Still distinctly a Bonneville with its smooth pulling, fuel injected 865cc parallel twin. We've added some visual tweaks like twin peashooter exhausts, chrome engine covers, black instrument surround with tachometer, a Triumph logo on the seat, two-tone paint, spoked wheels and fork gaiters.

So, it still looks, sounds and feels like a proper motorcycle should. And it still connects you to over 50 years of heritage but is built with everything that comes with modern engineering too.

ENGINE

Performance

From day one Bonneville's have been built to be ridden, not just to look good. Today, this 865cc parallel twin puts out a healthy 68PS with 68Nm of torque at its peak, with plenty available at low revs so you get most use out of it. The fuelling is controlled by a sophisticated management computer programmed for clean emissions and a smooth, predictable throttle response. So there's enough performance to be fun for experienced riders but not so much that will intimidate riders with fewer miles behind them.

Configuration

A pair of cylinders still stand upright and proud at the heart of the Bonneville T100. With a wide bore and short stroke that adds up to 865cc for high levels of efficiency and low wear, with four valves per cylinder for the best breathing and power. There are balance shafts tucked away inside the crankcase so you'll notice very little vibration for a parallel twin and, being air cooled, there's no radiator to spoil the view.

Fuel Efficiency

Today's Bonneville T100 is clean and efficient as well as responsive and strong. At a steady 56mph you can expect 68mpg and around town you'll still get 51mpg.

ENGINE	
TYPE	Air-cooled, DOHC, parallel-twin, 360° firing interval
CAPACITY	865cc
BORE	90mm
STROKE	68mm
SYSTEM	Multipoint sequential electronic fuel injection with SAI
EXHAUST	Stainless steel headers, twin chromed silencers.
FINAL DRIVE	X ring chain
CLUTCH	Wet, multi-plate
GEARBOX	5-speed
OIL CAPACITY	1.2US Gallon

CHASSIS

Bonneville T100 (MY 13)

Frame

All of our extensive chassis experience and technology has gone into the Bonneville T100's simple tubular steel construction. Providing easy, neutral steering and exceptional balance even at low speeds.

Suspension

Looking good whilst working hard isn't easy. But the 1960s style twin shocks fitted at the back come with a chrome finish and modern damping internals. As do the traditional-looking forks. And that makes the ride of your Bonneville T100 smooth and controlled, even on bumpy roads and cornering at speed.

Brakes

We've given the T100 a single disc brake at the front for a strong, progressive feel and a second disc for the rear for plenty of stopping force whilst maintaining the overall balance of the chassis so every moment of your ride is confident and controlled.

Handling

We've built a traditional style tubular steel cradle design and included the engine as an integral component for a stiffer, stronger chassis and more precise ride. Combining classic looks with modern engineering so that you get iconic Bonneville riding characteristics and modern handling.

Riding Position

Like all modern Bonneville, the T100 is a bike for riders new to big bikes and also those riders who are into classic styling. The long flat seat suits riders of all heights and we've laid out the bars and footrests to create plenty of space so you won't feel cramped even on a long ride out.

It's all put together so that you feel natural and in firm, confident control around town, at speed on a motorway or feeling the thrill of your Bonneville T100 along a sinuous back road.

Seat Height

A seat height of just 775mm is the best way to get the classic, natural Bonneville riding position. So that's the height we set it at.

CHASSIS	
FRAME	Tubular steel cradle
SWINGARM	Twin-sided, tubular steel
FRONT WHEELS	36-spoke 19 x 2.5in
REAR WHEELS	40-spoke 17 x 3.5in
FRONT TIRES	100/90 R19
REAR TIRES	130/80 R17
FRONT SUSPENSION	KYB 41mm forks, 120mm travel
REAR SUSPENSION	KYB chromed spring twin shocks with adjustable preload, 106mm rear wheel travel
BRAKES FRONT	Single 310mm disc, Nissin 2-piston floating caliper
BRAKES REAR	Single 255mm disc, Nissin 2-piston floating caliper
INSTRUMENT DISPLAY AND FUNCTIONS	Analogue speedometer and tachometer with odometer and trip information

COLOUR OPTIONS

	Cranberry Red / Fusion White
	Phantom Black/Graphite

PERFORMANCE

MAX POWER EC	68 @ 7500
MAX TORQUE EC	68NM @ 5800

ACCESSORIES	DESCRIPTION	PRICE
	Skid Plate - Black Anodised (A9708190) Brushed alloy Skid Plate for the heritage race feel, black anodised for durability.	MSRP \$140.00
	Fuel filler cap Lockable (A9930170) High gloss Lockable chrome Fuel Filler Cap, features Triumph branded bezel and knurled edge. Tested to the same levels as OEM fuel filler cap. Supplied with two keys.	MSRP \$75.00
	Skid Plate - Anodised Clear (A9708044) Brushed alloy Skid Plate for the heritage race feel, clear anodised for durability.	MSRP \$140.00
	Accessory Silencers (A9608104) Accessory Silencers for off road use only. Offers improved tonal quality.	MSRP \$500.00
	Triumph Battery Optimiser (A9930411) Automatic Battery Optimiser for lead acid batteries.	MSRP \$60.00
	Triumph Battery Optimiser (A9930413) Automatic Battery Optimiser for lead acid batteries.	MSRP \$60.00

Bonneville T100 (MY 13)

ACCESSORIES	DESCRIPTION	PRICE
	Triumph U Lock, 270mm (A9810006) High quality, 270mm U Lock. Manufactured in the EU. SRA Approved/Sold Secure.	MSRP \$120.00
	Oil Filler Cap - Machined (A9610533) CNC Machined replacement Oil Filler Cap with laser etched Triumph logo branding.	MSRP \$35.00
	Single Seat and Rack Kit (A9708097) Suitable for all Bonneville models.	MSRP \$395.00
	Fly Screen - Colour Coordinated (A9748021 JMNW) Stylish sports screen for the authentic heritage racer look, comes fully colour coded to enhance the look of your Bonneville.	MSRP \$155.27 - \$230.00
	Passenger Backrest Low - Chrome (A9738019) Cannot be installed with King and Queen Seat.	MSRP \$335.00
	Fuel cap billet style (A9730176) High gloss chrome Fuel Filler Cap, Billet Style detailing. Tested to the same levels as OEM fuel filler cap.	MSRP \$70.00
	Waxed Cotton Saddlebags - LHS (A9518087) Constructed from leather and wax cotton for durability and that heritage look. Features brass effect hardware and two small front pockets for accessing smaller items easily. Offers 16 litres storage capacity. Can either be fitted to the bike or used as satchels (shoulder strap included). Comes with bespoke mounting harness. Also available as a pair .	MSRP \$315.00
	Saddlebag Classic (A9528028) Genuine Leather Panniers featuring subtle Triumph branding, twin strap detailing with chrome buckles. Offers large capacity volume and hidden nylon snap-fit buckles for ease of use. Come complete with all required mounting hardware.	MSRP \$590.00
	Optimate Adaptor (A9930416) Allows convenient use of an Optimate Adaptor when used in conjunction with the auxiliary power socket A9938047.	MSRP \$15.00
	Luggage Rack - Chrome (A9738191) High quality tubular Luggage Rack for all 865cc Bonneville models. Features passenger grab rail and high quality chrome finish. Suitable for all 865cc Bonneville models.	MSRP \$210.00

Bonneville T100 (MY 13)

ACCESSORIES	DESCRIPTION		PRICE
	Centre Stand Kit (A9758008)	High quality bespoke centre stand kit. Facilitates cleaning and rear wheel maintenance procedures. Supplied complete with all necessary mounting hardware.	MSRP \$260.00
	Chain Guard - Chrome (T2057373)	High gloss chrome version of the original equipment part.	RRP \$125.00
	Paint Protection Kit - Classics (Models with Rubber Knee Pads) (A9930328)	Durable paint protection film developed to protect paintwork in high contact areas. Complete with all required installation tools and full instructions. Bespoke kit for classic models fitted with rubber knee pads.	MSRP \$70.00
	Arrow 2/2 Exhaust System (A9600469)	High performance exhaust system developed in conjunction with Arrow Special Parts. Offers substantial weight saving and power increase over standard equipment. Features Laser etched Triumph logo fully sleeved stainless steel construction. Supplied with dedicated engine tune download. Complete system weighs 6.5kg, offering up to 44% saving over OE (varies by model). <ul style="list-style-type: none"> • Up to 6PS gain without dB killer (up to 3PS with dB killer) • Suitable for all Bonneville models. • Requires specific calibration to guarantee optimum performance. • Not for road use. 	MSRP \$1,295.00
	King and Queen Seat (A9700133)	Traditional King and Queen seat unit, offers superb comfort and button detailing.	MSRP \$350.00
	Triumph Battery Optimiser (A9930412)	Automatic Battery Optimiser for lead acid batteries.	MSRP \$60.00
	Tacho Conversion Kit (A9828007)	Complete conversion kit to allow installation of a tachometer to Standard Bonneville models. - Complete with all necessary mounting hardware.- VIN specific product please consult your authorised Triumph dealer for information.	MSRP \$350.00
	Waxed Cotton Saddlebags - RHS (A9518086)	Constructed from leather and wax cotton for durability and that heritage look. Features brass effect hardware and two small front pockets for accessing smaller items easily. Offers 16 litres storage capacity. Can either be fitted to the bike or used as satchels (shoulder strap included). Comes with bespoke mounting harness. Also available as a pair .	MSRP \$315.00
