Speed Triple ABS (MY 13)

(\$12,799.00) †

PRODUCT INFORMATION

OVERVIEW

Lighter, sharper, more powerful and even wilder looking than ever. The Speed Triple is the urban icon for attitude, aggressive looks and full-on sports bike performance.

It's the perfect performance package with high quality suspension, strong brakes, light weight, agile handling and plenty of power where you need it for real world sports road riding.

ENGINE

Performance

The power of the Speed Triple comes from a muscle-packed three-cylinder, 1050cc engine. Serious top end performance comes from a huge 135PS, backed up by 111Nm of peak torque with plenty more muscle lower down the rev range. Giving you instant thrust regardless of revs or gear. And, with our high tech fuel injection all the power comes smoothly and relentlessly, right when you ask for it.

Configuration

The liquid-cooling, double overhead cams of the Speed Triple operate 12 valves and rev out beyond 10,000rpm. And, we've finely tuned the three-into-two exhaust like a musical instrument to enhance the engine's torque and make it snarl even more angrily as the revs build.

Fuel Efficiency

The secret of the engine's high performance is its pure efficiency. We wanted to create an engine that squeezes the most from every bit of fuel that goes in, so it's not just powerful but highly efficient, especially at higher speeds. Cruising along at 75mph it returns 53.6mpg. So you don't need to compromise on fuel efficiency to have a no compromise sports bike.

ENGINE	
TYPE	Liquid-cooled, 12 valve, DOHC, in-line 3-cylinder
CAPACITY	1050cc
BORE	79.0
STROKE	71.4
SYSTEM	Multipoint sequential electronic fuel injection with SAI
EXHAUST	Stainless Steel 3 into 1 into 2, twin high level stainless steel silencers.
FINAL DRIVE	X ring chain
CLUTCH	Wet, multi-plate
GEARBOX	6-speed
OIL CAPACITY	1.0US Gallon

CHASSIS

Frame

The Speed Triple introduced an all-new frame in 2011 to give you more forward weight distribution for sharper handling and exceptional front end feel.

And we've kept the geometry sharp, with a steep 22.8 degree steering angle, short 1435mm wheelbase and just 90.9mm of trail to give you breathtaking responsiveness and agility.

Suspension

The upside down forks on the Speed Triple are high quality Showa units, 43mm in diameter with adjustable rebound and compression damping, while the centrally mounted, single rear shock also has adjustable spring preload. So you can set the Speed Triple up for a gentle outing or an on-the-edge track day and it'll perform brilliantly.

Brakes

To match the Speed Triple's level of handling and power we fitted Brembo's radial four-piston calipers, with the option of ABS, for outstanding stopping power and feel.

Wheels and tyres

We fitted lightweight cast aluminium wheels and a wide 6inch rim on the back to take the grippiest, sports-focused rubber the Speed Triple deserves.

Single-sided swingarm

The swingarm is aluminium and features an eccentric chain adjuster so that the rear wheel stays perfectly in line with the front for focussed, precise handling. swingarm is also incredibly stiff, resulting in a super-stiff chassis that's rigid enough for the hardest track use and tough enough for real world roads.

Riding position

The Speed Triple is all about high performance precision and control. So the bars are low, the footrests high and set back and the seat is sculpted deep to hold you in a forward-leaning position.

As you take control of the Speed Triple you are in no doubt that it's made for sports riding, but you can tell we built it for the real world too.

CHASSIS	
FRAME	Aluminium beam twin-spar
SWINGARM	Single-sided, aluminum alloy with eccentric chain adjuster
FRONT WHEELS	Cast aluminum alloy multi-spoke 17 x 3.5in
REAR WHEELS	Cast aluminum alloy multi-spoke 17 x 6.0in
FRONT TIRES	120/70 ZR 17
REAR TIRES	190/55 ZR 17
FRONT SUSPENSION	Showa 43mm upside down forks with adjustable rebound and compression damping, 120mm travel
REAR SUSPENSION	Showa Monoshock with adjustable preload, rebound and compression damping, 130mm rear wheel travel
BRAKES FRONT	Twin 320mm floating discs, Brembo 4-piston 4-pad radial calipers (ABS model available)
BRAKES REAR	Single 255mm disc, Nissin single 2-piston sliding caliper (ABS model available)
INSTRUMENT DISPLAY AND FUNCTIONS	LCD multi-functional instrument pack with digital speedometer, fuel gauge, trip computer, analogue tachometer, lap timer, programmable gear change lights, service interval announcement display, TPMS ready.

COLOUR OPTIONS

	Crystal White
	Sulphur Yellow
	Phantom Black

PERFORMANCE

MAX POWER EC	135 9400
MAX TORQUE EC	111 7750

ACCESSORIES	DESCRIPTION	PRICE
	Rear Light Assembly - Clear (T2703208) Clear Rear Light LED unit.	POA
	Rubber Tank Pad (T2408610) Self adhesive moulded rubber tank pad. Protects the tank from zip damage. Fits with Triumph tank bags.	MSRP \$40.00
	Alarm Kit - Thatcham Approved (A9808090) Thatcham approved (Category 1) bespoke alarm immobiliser system developed in conjunction with Datatool. Designed to be installed whilst ensuring the integrity of the motorcycle wiring harness. Features vibration resistant construction.	MSRP \$410.00

ACCESSORIES	DESCRIPTION	PRICE
	<p>Paint Protection Kit (A9930285)</p> <p>Highly durable, puncture and gravel chip resistant Paint protection film developed to protect paintwork, custom cut specifically to fit the Urban Sports Models. When fitted the film appears clear, ensuring the motorcycle looks as intended. Used widely in Formula 1 & Moto GP, this paint protection film is designed to be installed easily and with perfect results. Triumph Paint Protection Kits include custom cut, self adhesive panels which protect the rider contact points from everyday wear, and the front of the tank from stone chips. The kits include all required installation tools and full instructions along with additional patches for application beneath the contact points for Triumph Magnetic Luggage. The film allows UV rays to permeate through, meaning the protected paintwork will age at the same rate as the rest of the motorcycle, avoiding any unsightly colour differences if the film is removed after time.</p>	<p>MSRP \$60.00</p>
	<p>Bar End Mirror Kit Clear Anodised (A9638059)</p> <p>Tinted anti-glare bar end mirror. Sold singularly. Features laser etched Triumph logo.</p>	<p>MSRP \$50.00</p>
	<p>Bar End Mirror Kit - Black Anodised (A9638060)</p> <p>Tinted anti-glare bar end mirror. Sold singularly. Features laser etched Triumph logo.</p>	<p>MSRP \$125.00</p>
	<p>Flyscreen Visor Kit (A9708188)</p> <p>Mounting to the fly screen, the visor provides additional protection allowing you to ride in comfort for longer.</p>	<p>MSRP \$130.00</p>
	<p>Colour Coordinated Bellypan Kit (A9708196)</p> <p>Aggressively styled factory colour match Bellypan designed to complement the Speed Triple naked styling. Manufactured from high impact ABS, the Bellypan can be installed with either of the Arrow exhaust options or the standard silencers.</p>	<p>MSRP \$250.00</p>
	<p>CNC Machined Rear Wheel Spacer (T2012574)</p> <p>Replacement rear wheel spacer offered in Anodised red finish to compliment both Speed Triple and Speed Triple R models</p>	<p>MSRP \$25.00</p>
	<p>CNC Machined Fork Protectors (A9640080)</p> <p>CNC Machined fork protectors featuring anodised aluminium spacers with laser etched detailing and acetyl sliders. Designed to protect fork legs in the event of a fall</p>	<p>MSRP \$60.00</p>
	<p>Brake Reservoir - Rear (A9620036)</p> <p>CNC machined rear brake reservoir, offered in anodised black finish. Features sight glass and knurled lid, laser etched with Triumph logo. (Direct replacement for the standard part.)</p>	<p>MSRP \$80.00</p>

ACCESSORIES	DESCRIPTION	PRICE	
	<p>CNC Machined Front Brake Reservoir (T2025067)</p>	<p>CNC machined front brake reservoir, offered in anodised black finish. Features sight glass and a knurled lid. Laser etched Triumph logo (Direct replacement for the standard part)</p>	<p>MSRP \$95.00</p>
	<p>Paddock Stand - Front (A9938157)</p>	<p>Powder coated silver, Triumph branded paddock stand featuring clear plastic wheels. Complete with locators which fit into the bottom of the fork.</p>	<p>MSRP \$150.00</p>
	<p>Formed Tail Pack Kit 10-16 litres (A9518067)</p>	<p>This is the bag of choice for carrying your everyday essentials. Offering 10 litres of capacity expandable to 16 litres, the tail pack mounts to the passenger seat. Features include pre-formed construction, water resistant zips, integral rain cover and shoulder straps for use off bike.</p>	<p>MSRP \$150.00</p>
	<p>Formed Tank Bag Kit 16-20 litres (A9510139)</p>	<p>This compact tank bag features pre-formed construction with expandable capacity from 16 to 20 litres. Features include water resistant zips, detachable map pocket, waterproof rain cover. Shoulder straps are included for converting the bag into a cool backpack for use off the bike.</p>	<p>MSRP \$195.00</p>
	<p>Comfort Gel Seat (T2304474)</p>	<p>Gel Seat option designed to offer the ultimate in seat comfort for both rider and passenger. Featuring integral gel pads front and rear, with premium fabrics and contrast stitch detailing.</p>	<p>MSRP \$265.00</p>
	<p>Grab Rail Kit (A9758293)</p>	<p>Bespoke cast passenger grab rail for the ultimate in pillion comfort. Featuring Triumph logo detailing and revised tail light surround for ease of installation and neat installation.</p>	<p>MSRP \$170.00</p>
	<p>Low Seat (T2304464)</p>	<p>With a 20mm reduction in seat height, the low seat makes it easier to get your feet to the ground, helping you feel confident and in control. Features premium fabrics and stitch detailing.</p>	<p>MSRP \$260.00</p>
	<p>Triumph Battery Optimiser (A9930412)</p>	<p>Automatic Battery Optimiser for lead acid batteries.</p>	<p>MSRP \$75.00</p>
	<p>Triumph Battery Optimiser (A9930413)</p>	<p>Automatic Battery Optimiser for lead acid batteries.</p>	<p>MSRP \$60.00</p>
	<p>LED Flasher Relay (A9830046)</p>	<p>Triumph moulded lower chain guard to add protection and meet race regulations. Glass filled nylon construction for durability and stiffness.</p>	<p>MSRP \$50.00</p>

ACCESSORIES	DESCRIPTION	PRICE
	<p>Arrow Low Boy Race Exhaust System 3 1 (A9600387)</p> <p>The 3 into 1 "low boy" system radically changes the styling, performance and handling of the Speed Triple. Manufactured from stainless steel and super lightweight titanium, the low level 3 into 1 system provides a 70% (approx. 6.5kg!) weight saving. The weight that remains sits lower, reducing the centre of gravity and so benefiting handling. A dedicated engine tune guarantees optimum performance; coupled with a power boost (up to 3 ps) and the all important sound track, what more could you ask for! Approved for Off Road/Closed Circuit use only.</p>	<p>MSRP \$1,595.00</p>
	<p>Arrow Slip On Silencers (A9600386)</p> <p>Stainless steel half system featuring a pair of lightweight titanium wrap bespoke silencers. Features include carbon fibre end caps, integral mounting brackets for a clean look and removable db killers. Offers a huge 1.7kg reduction in weight, performance increase* plus E Approval for noise. This is the ultimate Speed Triple exhaust option, complete with factory engine tune to ensure optimum performance. (*up to 3ps with db killer removed)</p>	<p>MSRP \$1,410.00</p>
