

Tiger 800 XC (MY14)

\$11,999.00 †

PRODUCT INFO

OVERVIEW

We built the Tiger 800XC to be just like the Tiger 800, but with a little bit more

Using the rugged Tiger 800 as a starting point, we added a pack of special off-road equipment so you can keep on going when you run out of tarmac.

The three-cylinder engine is the same 800cc triple found in the Tiger 800 so it's got loads of torque and muscular power. And the tough steel frame and long distance fuel range are from the Tiger 800 too. The added XC is what gives you the next-level off-road ability.

This is a hard-core bike that you can cross continents on, whether or not there are roads going in that direction. Just load it up and go.

CHASSIS

Suspension

The suspension travel for the Tiger 800XC is a huge 220mm at the front, 215mm at the rear. Just what you need on poor condition trails. We fitted 45mm Showa upside down forks along with a preload and rebound adjustable Showa monoshock so you can adjust for either off or on-road riding.

Brakes

We needed to give you enough stopping force on the road without being too sharp or intimidating in the dirt. So at the front of the Tiger 800XC is a pair of two-piston sliding callipers and 308mm discs, with a single-piston calliper at the rear and a 255mm disc.

ABS is standard but this can be switched off for off-road riding where you might want to be able to lock up a wheel.

Wheels

We added spoked wheels to the Tiger 800XC for better cushioning on rough terrain. The front is a big 21inch diameter to take dedicated off-road tyres and cope with holes and ridges. And the front mudguard is higher so that clogging mud won't spoil your ride.

Riding Position

We built the Tiger 800XC to have genuine off-road capability, so it's tall with an upright and very spacious riding position. We made the bars wider than the standard Tiger 800s to give you extra manoeuvrability and the seat is lofty, although it's easily adjusted without the need for tools.

Despite your high up stance the screen does a great job of fending off the wind pressure so you can stay at motorway speeds for as long as you need.

We even gave your passenger plenty of room, chunky grab handles and well positioned footrests so long distances are no less comfortable on the back than they are for you.

Adjustable seat height

You can adjust the seat height without tools between 845mm and 865mm to suit different kinds of riding.

Handlebars

The aluminium handlebars can also be adjusted fore and aft and the handlebar levers are span-adjustable.

Frame

As you'd expect the Tiger 800XC uses the same tubular steel trellis frame as the Tiger 800 so you know it's strong enough to take the knocks during serious off road use. The rear subframe is the same, designed to take our capacious panniers and big top box, plus a passenger, then go places where pure road bikes aren't venture.

CHASSIS	
FRAME	Tubular steel trellis frame
SWINGARM	Twin-sided, cast aluminium alloy
FRONT WHEELS	36-spoke 21 x 2.5in, aluminium rim
REAR WHEELS	32-spoke 17 x 4.25in, aluminium rim
FRONT TIRES	90/90-21
REAR TIRES	150/70 R17
FRONT SUSPENSION	Showa 45mm upside down forks, 220mm travel
REAR SUSPENSION	Showa monoshock with remote oil reservoir, hydraulically adjustable preload, rebound damping adjustment, 215mm rear wheel travel
BRAKES FRONT	Twin 308mm floating discs, Nissin 2-piston sliding calipers, Switchable ABS
BRAKES REAR	Single 255mm disc, Nissin single piston sliding caliper, Switchable ABS
INSTRUMENT DISPLAY AND FUNCTIONS	LCD multi-functional instrument pack with digital speedometer, trip computer, analogue tachometer, gear position indicator, fuel gauge, service indicator, switchable ABS and clock.

ENGINE

Performance

The three-cylinder 95PS engine, like the rest of the Tiger 800XC, is made for adventure.

With so much torque spread right across the rev range you can pull hard from low revs. That's great for overtaking without the need to work the gearbox and touring effortlessly through mountainous terrain, but it's also exactly what you need to dig yourself out of tough off-road situations.

But this is a Triumph so there's a lot more to it than clinical horsepower.

We gave the Tiger an animated snarl that adds a whole new layer of character. An engine that communicates and encourages you to use it to the best of its, and your, ability.

Transmission

The rugged dependability applies just as much to the transmission: six gears, a tough clutch with a light lever action that's needed in difficult conditions, and chain drive for simplicity, reduced weight and the best ground clearance This makes it easy to alter the final drive ratio for sustained low speed riding.

ENGINE	
TYPE	Liquid-cooled, 12 valve, DOHC, in-line three-cylinder
CAPACITY	799cc
BORE	74.0mm
STROKE	61.9mm
SYSTEM	Multipoint sequential electronic fuel injection
EXHAUST	Stainless steel 3 into 1, high level stainless steel silencer
FINAL DRIVE	O-Ring-Chain
CLUTCH	Wet, Multi-Plate
GEARBOX	6-Speed
OIL CAPACITY	1.0US Gallon

PERFORMANCE

MAX POWER EC	95 9300
MAX TORQUE EC	79 7850

ACCESSORIES	DESCRIPTION	PRICE
-------------	-------------	-------

	Footpeg Rubber Kit (A9778017)	Revised footpeg rubbers designed to lower foot position by 12.5mm	MSRP \$25.00
	Machined Lever Kit - Standard (A9620037)	CNC machined, billet aluminium brake and clutch levers to replace the standard equipment items. Features aerospace grade aluminium with hard anodised finish, Contrasting machined and anodised span adjusters and laser etched Triumph branding. Available in two lengths and to suit both Radial and conventional type master cylinders for all Triumph Urban Sport models.	MSRP \$107.50
	Oil Filter Cover - Black (T1210245)	This Triumph-branded Oil Filter Cover is a durable powder-coated steel oil filter cover to provide additional protection from stones and debris when on-trail. The simple push fit installation makes this easy to use. Additional information: - Can be installed in conjunction with the Triumph Aluminium Sump Guard.	MSRP \$35.00
	Tapered Black Handlebar (T2041811)	Oversize Tapered Aluminium Handlebar, anodised in black with Laser etched Triumph Logo. Offered for Tiger 800 XC only.	MSRP \$125.00
	Paddock Stand Bobbins (A9640023)	Durable pair of turned nylon Paddock Stand Bobbins with a black finish.	MSRP \$35.00
	Swing Arm Pivot Covers, Black (A9788028)	Pair of CNC machined black anodised aluminium swing arm pivot covers.	MSRP \$25.00
	CNC Machined Rear Brake Reservoir (A9620058)	Replacement CNC Machined Rear Brake Reservoir in anodised black finish. Features machined detailing to base and lid, laser etched branding and integral sight glass.	MSRP \$95.00
	Billet Machined Chain Adjuster Block - Red (A9640046)	A stylish Billet Machined Chain Adjuster Block to add the finishing touches to your motorcycle. Additional information: - Red anodised finish - Also available in grey anodised - Optional matching clutch cable guide and oil filler caps available.	MSRP \$35.00
	CNC Machined Oil Filler Cap - Red (A9610210)	High quality CNC-machined Oil Filler Cap, with a red anodised finish and a stylish laser-etched Triumph logo. Additional information: - Stylish 'tri-corner' design with pre-drilled holes for lock wiring.	MSRP \$25.00
	Clutch Cable Guide Bracket Grey (A9610065)	High quality CNC-machined Clutch Cable Guide bracket, with a grey anodised finish and a stylish laser-etched Triumph logo.	MSRP \$35.00

ACCESSORIES	DESCRIPTION		PRICE
	Rubber Tank Pad (A9798028)	Moulded rubber tank pad designed to protect the fuel tank from zippers and abrasion.	MSRP \$45.00
	Aluminium Radiator Guard Kit (A9708234)	Robust brushed aluminium radiator guard offering protection from stones and debris. Developed alongside the new Adventure bikes the rad guard has been designed to ensure vital air flow to the radiator is not compromised. Manufactured from brushed aluminium and complete with Triumph logo branding.	MSRP \$105.00
	Adjustable High Screen (A9708248)	The Triumph High Touring Screen is an injection moulded, adjustable polycarbonate high screen for a superb finish and optimum clarity combined with a coated surface for the ultimate in scratch resistance. Additional information: - 53mm higher and 55mm wider than the standard screen - Tilt angle adjustment of 12.4 degrees (47mm).	MSRP \$215.00
	Adjustable Screen Mechanism (A9708218)	Bespoke Triumph Screen Adjuster mechanism for use with the standard screen, providing an adjustment range of 47mm (12.4 degree) allowing you to set to the screen position to your ideal position.	MSRP \$45.00
	Alarm Kit - Thatcham Approved (A9808091)	Thatcham approved (Category 1) bespoke alarm immobiliser system developed in conjunction with Datatool. Designed to be installed whilst ensuring the integrity of the motorcycle wiring harness. Features vibration resistant construction.	MSRP \$410.00
	Headlight Protector (A9838007)	Injection moulded polycarbonate head light cover supplied for off road use only. Provides comprehensive protection for the front headlamp and features convenient quick release mounts offering easy removal for the road.	MSRP \$95.00
	Engine Protection Bars (A9788004)	Fabricated steel engine bars finished in durable textured powder coat finish. Main construction manufactured from 22mm steel tube for optimum strength. Supplied complete with all mounting hardware.	MSRP \$192.50
	CNC Machined Fork Protectors (A9640081)	Designed to protect fork legs in the event of a fall, these high quality CNC-Machined Fork Protectors feature anodised aluminium spacers with laser etched detailing and acetyl sliders.	MSRP \$60.00
	Front Mudguard Extension (A9708213)	Moulded Front Mudguard Extension to provide additional protection for the radiator, headers and engine casing.	MSRP \$45.00
	Paint Protection Kit Tiger 800 Models with graphite frames (A9930348)	Durable Paint protection film developed to protect paintwork in high contact areas. Complete with all required installation tools and full instructions. Bespoke kit for models with graphite grey frames	MSRP \$90.00

ACCESSORIES	DESCRIPTION		PRICE
	Moulded Frame Protector Kit (A9780014)	Injection moulded frame protectors created by Triumph to safeguard against boot scuffs when riding on challenging, adventurous terrain.	MSRP \$105.00
	35kw Anti Tamper Restrictor Kit (A9618129)	Mechanical restrictor bracket to reduce power output to 35KW	MSRP \$45.00
	Top box - Adventure (T2350294)	Bespoke Triumph luggage system featuring high security one key locking mechanism. Twin skin injection moulded construction, with branded brushed aluminium fascia, and fully weatherproof construction for the ultimate in adventure luggage. Dynamic mounting assembly ensures performance levels are not compromised even when fully loaded. Provides 35 litres of luggage carrying capacity (can accommodate one full face helmet). Requires sliding carriage A9508148 for fitment.	MSRP \$325.50
	Tank Bag Harness (A9510083)	Fully moulded tank bag harness designed to allow convenient installation of the City and Adventure tank bags. Features robust nylon mounting clips with magnetic receptacle.	MSRP \$50.00
	Waterproof Roll Bag 40 litres (A9511051)	Fully waterproof Triumph Roll Bag offering up to 40 litres of carrying capacity, featuring roll top sealing with robust nylon clips, and welded seams throughout. Twin dual-purpose carry handles double as compression straps when in use. The Roll Bag also features a padded shoulder strap. Additional information: - 40 litres capacity - Triumph branded - Mounting is directly to the passenger seat.	MSRP \$120.00
	Top Box Sliding Carriage Kit - Adventure (A9508148)	Bespoke Triumph Sliding Carriage Kit designed to allow installation of the Adventure Top Box. Allows lateral movement of the top box assembly to ensure handling is not affected even when fully loaded.	MSRP \$225.00
	City Tail Pack Kit 10 litres (A9510086)	Bespoke city tail pack offering up to 10 litres of convenient storage. Manufactured from polyurethane and highly durable fabrics using the latest techniques, this new bespoke luggage features Triumph branded zip pulls, reversed zip tracks, fully lined base and lid and comes complete with detachable mounting straps. Fitment is either to passenger seat pad or the integral luggage rack.	MSRP \$100.00
	City Tank Bag Kit 16 litres (A9510087)	Bespoke expandable city tank bag offering convenient storage of up to 16 litres designed to be installed with tank bag harness, A9510083. Manufactured using the latest manufacturing techniques from polyurethane and highly durable fabrics, this new bespoke luggage features Triumph branded zip pulls, reversed zip tracks, fully lined base and lid and come complete with detachable map pocket.	MSRP \$135.00
	Adventure Tank Bag Kit 20 litres (A9510088)	Offering substantial capacity (16 Litres expandable to 20 Litres) for stowing the essentials. Installation is via the separate tank bag harness (A9510083) which has been designed to look good when the bag is removed. Manufactured using the latest techniques from polyurethane and highly durable fabrics, this new bespoke luggage features Triumph branded zip pulls, reversed zip tracks, fully lined base and lid and comes complete with detachable map pocket.	MSRP \$175.00
