ROCKET III ROADSTER

LUGGAGE

Leather Panniers
(A9528014)
POA

Manufactured from the very highest quality, genuine 4mm aniline leather. These panniers feature triple branded chrome plated buckles with hidden snap fit clasps and subtle embossed Triumph logo, with rigid pannier liners to ensure the overall shape is maintained. With a capacity of 28 litres per bag, they can hold a huge amount of those touring necessities. Can also be installed with Leather badges and waterproof pannier inner bags. (Aniline is the process of colouring leather throughout with non-toxic dyes that allow the natural grain to show through. Considered to be the premier grade of leather, anilines are unique with each hide having its own distinctive natural markings. Soft and pliable but robust enough for the exertions of the modern Cruiser rider).

CLOTHING

Our desire to get the most out of every ride applies as much to our clothing as it does to our bikes. Every piece of Triumph clothing is designed to play a part with technical innovations in materials and design, focusing on style, safety and comfort. Designed and tested by people that ride to deliver a perfect fit.

FOR THE RIDE

We want to bring you even more of what's going on in the fast-moving riding world before it happens, so we've had a change of gear. Our new For the Ride blog will be home to regular updates capturing the excitement, thrills and fascinating characters that make motorcycling our reason for getting up each day. It's a lifestyle thing, so we'll also be turning the spotlight on some of the people making the riding world the exhilarating place it is. fortheride.com
